PROFILE

I'm highly motivated and skilled web developer with 10.5 months of internship experience, specializing in HTML, CSS, JavaScript, React.js, Node.js, and Mongo.DB. With a strong foundation in front-end and back-end development, I have gained hands-on experience in building responsive and dynamic web applications. My expertise in React.js enables you to create interactive user interfaces, while your knowledge of Node.js allows you to develop web applications.
